

One Health EJP Annual Scientific Meeting 2021 SCIENTIFIC PROGRAMME

Copenhagen and online 9th - 11th June

TUESDAY June 8th

Pre-congress activities. [ASM Satellite Workshop 7th and 8th June.](#)

CEST

WEDNESDAY June 9th

08.30 Morning coffee

09.00-10.30 WELCOME

10.30-10.45 Break

10.45-12.15 KEYNOTE SPEAKERS

12.15-13.15 Lunch Break

Presentations: Session One

13.15-13.30 An Outbreak of SARS-CoV-2 in Mink and Mink Farmers Associated with Community Spread, Denmark, June to November 2020
Helle Larsen

13.30-13.45 The Emergence of Chronic Wasting Disease in Europe: A One Health Perspective
Dolores Gavier-Widén

13.45-14.00 One Health: Setting Up a Risk Analysis System for Zoonoses
Catharina Maassen

14.00-14.15 A User-Friendly Decision Support Tool to Assist One Health Risk Assessors
Rob Dewar

14.15-14.30 Mapping Knowledge Gaps of Source Attribution Methods and Sources for Zoonoses and Resistance Bacteria Using a Rapid Review Approach
Guido Correia Carreira

14.30-14.45 Break

Presentations: Session Two

14.45-15.00 Trend Reversal in Human Infections with *Salmonella enteritidis* in the Netherlands (2005-2019)
Linda Chanamé Pinedo

15.00-15.15 Tracing the Evolution of the Emerging Multidrug-Resistant *Salmonella enterica* Serotype 4,[5],12:I:-Sequence Type 34
Ehud Elnekave

15.15-15.30 Is Syndromic Approach Well Suited for Foodborne Diseases Surveillance? Implication for Salmonellosis Surveillance and Prevention in France with a One Health Perspective
Briac Virey

15.30-15.45 Molecular Method for Detection of *Toxoplasma gondii* Oocysts in Leafy-Green Vegetables: Method Selection, Validation and Standard Operating Procedure Development
Marco Lalle

One Health EJP Annual Scientific Meeting 2021 SCIENTIFIC PROGRAMME

Copenhagen and online 9th - 11th June

- 15.45-16.00 Development of a Next-Generation Sequencing-Based Typing Method for *Toxoplasma gondii* for European Needs
Pavlo Maksimov
- 16.00-16.15 Between Batch Variability of Hepatitis E Virus Infections in Pigs at Slaughter Points to Future Farm Interventions
Marina Meester
- 16.15 Close of Day 1
- Evening Welcome reception

CEST THURSDAY June 10th

08.30 Morning coffee

09.00-09.05 Welcome to Session Three, co-organized with Med-Vet-Net Association

09.05-09.20 Med-Vet-Net Association invited speaker (TBA)

09.20-09.35 Med-Vet-Net Association invited speaker (TBA)

09.35-09.50 Med-Vet-Net Association invited speaker (TBA)

09.35-10.15 Round table discussion

Presentations: Session Three, co-organized with Med-Vet-Net Association

10.15-10.30 Phylogenetic Tracking of LA-MRSA ST398 Intra-Farm Transmission Among Animals, Environment and Humans on German Dairy Farms
Tobias Lienen

10.30-10.45 Comparative Analysis of the Resistome and the Mobilome of Estuarine Aquacultures and Other Aquatic Environments
Teresa Nogueira

10.45-11.00 Evaluation of Environmental Waters and Sewage Sources for the Presence of Antimicrobial Resistance Enterobacterales in Ireland
Brigid Hooban

11.00-11.15 Break

Presentations: Session Four

11.15-11.30 Assessing Variability of IncX1 Plasmids from *S. enteritidis* Isolates in Spain
Bernabé Diéguez-Roda

11.30-11.45 Different Sequencing and Assembly Approaches Influencing the Detection of Plasmids and Antimicrobial Resistance Genes in Commensal *Escherichia coli*
Katharina Juraschek

One Health EJP Annual Scientific Meeting 2021 SCIENTIFIC PROGRAMME

Copenhagen and online 9th - 11th June

- 11.45-12.00 Colistin Resistant Enterobacteriales in the General Population and Veterinary Healthcare Workers: First Discovery of mcr-8 in the Netherlands
Cindy Maria Dierikx
- 12.00-12.15 Evaluation of the Effect of Colistin Reduction in Pigs on mcr-1 Detection
Pedro Miguela-Villoldo
- 12.15-12.30 Leakiness at the Human-Animal Interface in Southeast Asia and Implications for the Spread of Antibiotic Resistance
Marc Stegger
- 12.30-13.30 Lunch Break**
- 13.30-14.30 3 Minute Thesis Competition of One Health EJP PhD students**
- 14.30-14.45 Break**
- Presentations: Session Five**
- 14.45-15.00 Mapping the Current Existing Hazards' Control Program and Strategies in the Various Sectors and Tracts of the Animal-Environment-Food-Human Chain in EU
Rebekka Sørensen
- 15.00-15.15 OH-Harmony-CAP: Development of an OHLabCap Tool
Flemming Scheutz
- 15.15-15.30 PastoralScape: An Environment-Driven Model of Vaccination Decision Making within Pastoralist Groups in East Africa
Richard Iles
- 15.30-15.45 The Scope of Community Engagement (CE) Approaches to Tackle AMR
Jessica Mitchell
- 15.45-16.00 Participation in One Health Networks and Involvement in COVID-19 Response
Laura Streichert
- 16.00-16.15 Lessons Learned from One Health Practices in Sweden and Italy
Sarah Humboldt-Dachroeden
- 16.15-16.30 Break**
- Presentations: Session Six**
- 16.30-16.45 Food Products Identified as Source of a Foodborne Disease Outbreak by a Fast and Robust Likelihood Estimation
Jakub Fusiak
- 16.45-17.00 Simulation and Identification of Foodborne Outbreaks in Real Consumer Purchase Data
Peter Erdmann Dougherty
- 17.00-17.15 Food Safety Knowledge Exchange (FSKX) Format: A Flexible Exchange Format for (Joined) Models in the Area of Food Safety and One Health
Esther M. Sundermann

One Health EJP Annual Scientific Meeting 2021 SCIENTIFIC PROGRAMME

Copenhagen and online 9th - 11th June

- 17.15-17.30 Control of Human Pathogenic Microorganisms in Plant Production (Huplant Control EU Cost Action CA16110): Terminology Explained When Plant Science Meets Food Safety
Mieke Uyttendaele
- 17.30-17.45 An Inventory of Zoonotic and Foodborne Disease Surveillance Systems: Expanding the One Health Knowledge Base
Johanna Dups-Bergmann
- 17.45 Close of Day 2
- Evening Dinner

CEST FRIDAY June 11th

- 08.30 Morning coffee
- 09.00-10.30 KEYNOTE SPEAKERS
- 10.30-11.00 Break
- 11.00-12.30 KEYNOTE SPEAKERS
- 12.30-13.30 CLOSING SESSION
- Afternoon Post-congress activities
